Remarks

Discover quiet country living in the city. Boasting 3 Bedrooms & 2 Baths, this residence offers a restful feel in a central location just blocks from the heart of Sarasota. With an open concept plan that spans from the screened front porch, through the expansive Living Room, Dining Room, & meticulously redone Kitchen, the home flows to the rear, oversized, screened lanai with a custom crafted, artist inspired side wall, adding privacy and ambiance to the outdoor living area. Beyond the home & lanai is a fenced yard with mature landscaping that's perfect for the kids, both two & four legged. As if all this wasn't enough, the home is turn key with the owner gifting all interior possessions except personal effects & artwork to the new owner. Be the first to look at this underpriced gem, because otherwise, it will be someone else's!
